## 1. PURPOSE

- 1.1 This document establishes the process and procedures related to the selection, training, qualification and monitoring of AFRAC peer evaluators.

## 2. EVALUATORS' WORKING GROUP

- 2.1 The AFRAC MRA Committee shall appoint an Evaluators Working Group (EWG) from amongst its members, to manage and oversee all issues pertaining to peer evaluators.
- 2.2 The EWG shall consist of at least three people who either have experience in MRA decision making or are qualified as Peer Evaluators.
- 2.3 The EWG shall approve and oversee the performance of Evaluators and Trainee Evaluators in accordance with the criteria in this document. In addition the EWG shall ensure that actions resulting from monitoring of evaluators' performance are implemented.
- 2.4 The EWG shall work in cooperation with the MRA Committee in planning and organising peer evaluator training activities.
- 2.5 The EWG should ensure that all member AB's propose candidate peer evaluators, to ensure, as far as possible, an even distribution of evaluators from amongst the AB's.

## 3. PROCESS OF SELECTION AND QUALIFICATION OF EVALUATORS

### 3.1 Initial Selection and Training of Evaluators:

- 3.1.1 Only AFRAC Arrangement and Full AB members may propose a candidate peer evaluator, who shall have at least three years working experience in the assigned areas of accreditation, and shall provide AFRAC with information about the person's competence to confirm that the criteria stated in 3.5 are met.

- 3.1.1.1 The following forms, completed by the candidate, shall be submitted to the AFRAC Secretary:

- F028: AFRAC Peer Evaluator Curriculum Vitae Form
- F006: Declaration of Impartiality and Confidentiality forms

- 3.1.1.2 The AFRAC Secretary shall submit the F028 form to at least 2 members of the EWG for their review and confirmation whether the candidate meets the competence criteria in clause 3.5.

- 3.1.2 The MRA EWG shall review the information either denying the application or inviting the person to the training for new team members (TM).

- 3.1.2.1 The results of the review shall be recorded on the *F013: AFRAC Review of Application for Peer Evaluator* and shall indicate:

- Whether the candidate is approved to participate in the Evaluators' Training Course;

- If not approved, the reasons shall be clearly spelt out.
- The scopes and sub-scopes that the candidate is competent to evaluate;
- Any other relevant technical information (e.g. experience in Proficiency Testing, Reference Material, National Metrology Institute (NMI), etc.)

*Note: The AB that provides the infrastructure for the evaluators' training course may propose candidates that do not necessarily meet the required criteria for qualification. These candidates may be invited to attend the training course at a later stage, once they are able to demonstrate that they meet the relevant requirements.*

3.1.2.2 The AFRAC MRA Secretary shall inform the candidate and the respective AB of the outcome of the review of the information, including any reasons for not accepting the proposed candidate, if applicable.

3.1.3 Training for new TMs shall be designed to ensure and confirm that the evaluators meet the competence criteria stated in 3.5.

- Exercises on planning evaluations, writing and classification of findings; and
- AFRAC GD002 "AFRAC Peer Evaluators Guide".

3.1.3.2 A certificate shall be issued to new TMs who have successfully completed the training course. Feedback on the evaluation of the new TM during the course will be provided to the TM and the respective AB.

3.1.3.3 The EWG in cooperation with the MRA Committee shall review and if necessary revise the content of the Peer Evaluators Training Course taking into account input received from participants, instructors, and monitoring of evaluators' performance.

3.1.4 An evaluator, trained in accordance with Clause 3.1.3, shall be observed and evaluated on the job by appointing the evaluator as a trainee team member in his/her first evaluator assignment (see AFRAC M001 for the tasks of a trainee).

3.1.5 After positive feedback from the team leader (TL) and the AB the trainee team member will be qualified as a team member peer evaluator.

3.1.6 For each team member AFRAC shall state the main scopes, and sub-scopes if relevant for which the person is considered competent.

3.1.7 If a new evaluator does not participate in any evaluations, or any other evaluator refresher training activity for five (5) years after completing the training course, the qualification shall be suspended until the person takes the refresher training as determined by the EWG.

## 3.2 Selection of Team Leaders

3.2.1 After a defined minimum number of evaluations as TM and positive feedback from the participating team leaders and ABs, the MRA Committee may invite a TM to become a team leader.

3.2.2 To demonstrate fulfilment of the competence criteria as stated in Clause 3.5.3, a TM may first act as a deputy TL (assisting the TL in planning, preparing, managing the evaluation) or as a TL supervised by a qualified TL.

3.3.4 Monitoring of evaluation team leaders shall include feedback from the team members in *AFRAC F024 "Performance Log for AFRAC Team Leader"*. TM's shall submit the completed F024 forms to the MRA Secretariat within one month of the decision-making process.

3.3.8 The AFRAC MRA Secretariat will inform the Team Member and the respective AB of the results of the performance evaluation.
